SITE INFORMATION

Participants will be staged out of the parking lot and their car. Access to the secretary table for check-ins and posting of running order and results will be available. There will be no inside crating. For the Handler's Briefing Judges shall conduct a short handler's briefing prior to the start of each class. NO DOGS are to be present during the Handler's Briefing. A Warm-up Area will be available consisting of ONE marked container of each odor being tested at the trial and may also consist of blank containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior to their run. The warm-up area is not for training or relieving of the dog. No handling teams are allowed in the warm-up area unless they are practicing just before they are called for their search. We will be using Remind. Access to restrooms, class results and ribbons will be available all day.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for AKC Scent Work for each class. Searches will be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces in accordance with AKC Scent Work regulations.

OTHER SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are allowed at judge's discretion. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search with handlers who have not run.

RIBBONS, AWARDS AND PRIZES

Placement ribbons will be awarded in each class as follows:

First Place.....	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place.....	White
Qualifying Score.....	Dark Green

A **New Title rosette** will be awarded to all teams who finish an Element or Level title.

"Silver Sniffer" award to the eldest canine competitor who qualifies.

"Top Junior" award to the highest scoring Junior competitor.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Cambridge Minnesota Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Cambridge Minnesota Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Cambridge Minnesota Kennel Club or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material. Please read Chapter 5 Section 13, page 33 in the rulebook for further information about proper equipment. All dogs must be on leash at all times. Retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the facility.

Ringside The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. While the Club has no responsibility of calling or locating dogs that are not brought into the ring when required, it is considering using a phone app to notify exhibitors when their class is approaching. Additional information will be provided near when the judging schedule is sent out. EXHIBITOR CHECK-IN: Exhibitors MUST check-in EACH day they are entered.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.

“Exhibitors should follow their veterinarian’s recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.” Additionally, clubs should include any specific local or state health requirements, for example, proof of rabies vaccination.
